4. d) You have to put your stories. You're really good at that.

6° Leia o texto abaixo, identifique os phrasal verbs que encontrar e explique o significado deles.

Another love story.

June 14, 2015.

I was sitting in my room, looking forward to seeing him. It was almost midnight; I couldn't call him and ask him to come over. No, I couldn't. I had to wait until the sun came up. I just turned the lights off and tried to sleep, but it was impossible. In the next morning, I was about to take my flight. I was really expecting a visit or at least a call. But, I got nothing and I told myself:

"Ok, stand up! You're stronger than this. You have to give up and go on."

But there was voice inside my head that insisted in believing he would show up and say:

"Hey, I'm here to ask you to stay".

It didn't happen.

I was about to leave and move to a very distant place. My heart was falling apart but I had to hang on and call the taxi to drop me off at the airport.

I just turned the lights off again.
